**STRONGER
AWARENESS**

A bald eagle is shown in flight, facing left, with its wings spread wide. The eagle has a white head and neck, a yellow beak, and dark brown feathers on its wings and back. The background is a solid pink color. There are several decorative elements: a horizontal dotted line near the top left, a large faint circle behind the eagle, a faint square outline to the right of the eagle, and three pink 'x' marks (one at the bottom left, one at the bottom right, and one in the middle right). At the bottom center, there is a series of diagonal pink lines.
